**Misano – Fittipaldi with 3 pole positions, 3 wins and once again championship leader**

**In Misano it is the most classic perfect racing weekend for Enzo Fittipaldi, who conquers the 3 pole positions, wins each race and is back at the head of the championship. Excellent also Rookie Petr Ptacek**

17/06/2018 – Confirmations and new stars in the ACI Racing weekend at Misano for the Italian F4 Championship Powered by Abarth, with Enzo Fittipaldi (Prema Theodore Racing) who is back dominating the weekend just as, and even more, the first appointment of this year in Adria, as now he obtains 3 pole positions, 3 wins and championship leadership, with 178 points, just one more than second positioned Leonardo Lorandi (Bhai Tech Racing), who has managed to be second in race 3, battling like crazy to stop other competitors, and in particular teammate Petr Ptacek, finally third, from overtaking. In third position in the championship is British Olli Cladwell, sixth in race 3, with 137 points.

The new star here in Misano is Petr Ptacek (Bhai Tech Racing), the Rookie who has forgotten to be one, and who obtains a podium and strengthens his leadership in the Rookie Trophy standing. But he does not seem to be totally satisfied. “happy for the weekend and points, but in race 3 second position could have been mine, as I did not do well trying to overtake Lorandi”.

In the Rookie Trophy classification Ptacek is well ahead with 225 points, in front of Gianluca Petecof with 171 points, fourth in race 3, and an excellent Umberto Laganella (Cram Motorsport), with 115 points, seventh overall in race 3.

The 3 races in Misano can be watched again on [Facebook](#) page.
