

Race 1: Petecof from pole to victory

Gianluca Petecof maintains first position in complicated wet track conditions and safety car

Vallelunga 04 May 2019 – From pole position the start is on dry track, and Gianluca Petecof (Prema Powerteam) keeps his first position attacked by Belov (Bhai Tech Racing). Soon an accident requires entry of safety car. In the meantime, rain starts to fall, but most teams keep slick tyres as only part of the track becomes wet. Race starts again on the wet part of the track and many drivers go wide on the cruves, while Petecof maintains calm and is able to control perfectly his Tatuus, keeping the lead.

Safety car is back in the track due to strong rain folling down, and this continues to the end of the race, which sees final standing with Petecof, Belov and Famularo (Prema Powerteam). In the Rookie Trophy first is Roman Stanek (US Racing), followed by Paul Aron (Prema Powerteam) and Jonny Edgar (Jenzer Motorsport).
